

heart ^{OF} impact

Dear Church

In Luke 10, we read about the Good Samaritan. A man was beaten and abandoned - left to suffer and ultimately die. Now, it would seem 'lucky' that a Samaritan man walked by the victim at the right time, but it wasn't luck. God was positioning him and using his mercy, generosity & availability to provide a miracle to this lost and hurting person. Heart of Impact is Impact's commitment to have mercy, generosity and availability.

**It's our commitment to do everything we can to help heal our communities.
It's our commitment to extend the hands and heart of Jesus to our world.
It's our commitment to perceive the need, cross the road & do all we can.**

**We ask you to pray and financially partner with us.
Together we can make a phenomenal impact.**

Love Phil & Tam

ALPHA

When so much in our world doesn't make sense, having a safe space to ask questions about life and faith over a meal and a short talk is a great way to give people the opportunity to explore a relationship with Jesus - that's what Alpha is all about!

CHAPLAINCY

We all go through challenging times when a listening ear and a supportive voice can make all the difference. By equipping and deploying chaplains, we give people in our local communities the opportunity to access the support and care they so desperately need.

COMMUNITY ENGAGEMENT

We want to be a valuable, accessible part of our local communities and our free programs make that possible - Mainly Music, Messy Monday and Baby Connect all welcome hundreds of families into our Impact Community. These programs coupled with our relief fund (which provides direct assistance to our community) see real needs met at a local level.

DIGITAL MISSION

The digital world gives us limitless opportunities to introduce people to a relationship with Jesus. Our weekly program "Impact Online" gathers, teaches and pastors beyond our physical reach while our brand new "IM Talking" podcast has real, messy, authentic conversations that open the door for the next step toward faith.

INDONESIA

Partnering with Mercy Indonesia enables us to reach past our shores and bring practical assistance through mission trips, care for orphans, support for church planters and the message of Jesus shared through the accessible medium of radio.

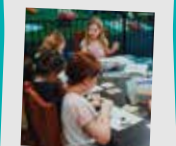

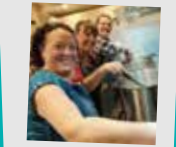

SUPPORTING INDIGENOUS COMMUNITIES

We recognise and respect Indigenous people across our nation and want to do all we can to be a part of the conversation of unity, empowerment and reconciliation. Our outback trips carry our heart to connect, serve and honour Indigenous communities.

YOUTH ALIVE

Young people are our future. They are future leaders in church and the community, future parents and caregivers and future business leaders. We carry a huge responsibility to reach and raise a generation to realise their destiny and that's where Youth Alive plays a vital role. Through events, regional gatherings and school tours, Youth Alive connects young people with their purpose as they get to know Jesus.

Perceive The Need

Look Up, See, Understand

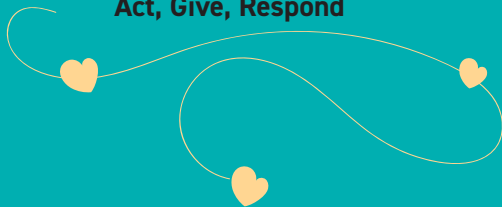

Cross The Road

Move, Change Direction, Decide

Do All You Can!

Act, Give, Respond

heart ^{OF} impact

The story of the Good Samaritan resonates so deeply that it compels us to perceive the need, cross the road and do all we can to bring support, relief and justice to the communities that we belong to locally and globally.

Thank you Impact
